

# Looking to Adopt?

- Browse our available animals and note location on the bio -- if you plan to visit the cottage specifically to meet one cat, PLEASE reach out to us first! We know our guys well and happy to help you find THE ONE. Or THE THREE, we don't judge.
- Visit 20+ available kitties at Whiskers Catnip Cottage in Granville, Ohio, central Ohio's newest (and coziest) cat cafe! Reserve online under the Cottage tab as space is limited!
- Cats with our adoption partners in the Mt Vernon or Heath Petco stores require a volunteer to meet you there; please apply and we will set up a meet & greet.
- Cats in foster or "Cottage Holding" require an application be placed in advance and we will schedule a time for you to meet.
- If you have found a cat on our website that you would like to meet, please fill out an application and we will set up a meet & greet – only one application per person is necessary regardless who you decide to take home:)
- Please do not fill out an application if you are not actively looking to adopt at this time or to hold for a specific color of cat, we are run entirely by volunteers and processing applications takes time.
- We do require indoor only homes for the vast majority of our cats! Please help us keep these cats safe as they go to their forever homes.

**To Apply:**
